Event Details

We will start at 10:00 a.m. on October 19, 2019 with cancer survivors, fighters, and family and friends of lost love ones speaking at our starting point as well as a balloon release at the Bonelli House at 430 E. Spring Street.

After the speakers, we will follow the walking map on a mile tour through Historical Downtown Kingman, Arizona. The map will also provide historical information about the buildings and landmarks along the way. Get to know a little about the history of the community we are all fighting to support.

The walk will end at Black Bridge Brewery where we will serving lunch to all participants. We will have live music, a raffle, and a 50/50 drawing going while we enjoy brunch on the patio.

The Kingman Cancer Care Unit is run solely by volunteers. All of the proceeds from the event will be used to help Cancer Patients in the Kingman area!
